

187-1-104\_1

This is a grayscale micrograph showing a textured surface, possibly a metal or ceramic. The surface is covered with numerous small, circular features, likely pores or inclusions. A large, dark, irregularly shaped region is visible on the right side of the image. A small blue dot is located below the label '187-1-104\_1'. A scale bar is present in the bottom left corner.
